Engineering Change Notice	**#: DST-10056E** **Date: 1 FEB 2015** **Approved by: I. Watanabe–Quality Assurance** **Issued by: Tak Inoue – International Sales**	
Product	**Copyboard**	**Model**	**M11,12,C11,C12 Series and CR5**

Change	**Firmware upgrade**
Reasons	**To enhance HP PCL3 GUI / EPSON ESC/P-R printer compatibility**
Schedule	**Already released on our web page:** http://www.plus-vision.com/en/support/download/update.html
Methods	**Release of new firmware on the web page**

［**Details of the change**］

We have enhanced the compatibility with HP PCL3GUI (printer language) printers and ESC/P-R (printer language) EPSON printers on discontinued models. By this enhancement, more HP PCL3GUI and ESC/P-R printers can work with copyboards.
